The **Route No. 52–Diamond Point** deviated service is a hybrid between fixed route and paratransit services. Buses operate on a fixed route but will "deviate" off the fixed route up to ¾ of a mile to pick up or drop off passengers. This service is only available on the Route 52–Diamond Point east of Blyn. There are no eligibility requirements for using the deviated service; anyone within the designated area can request a deviated trip. Requests must be made by 4 pm the day before you are traveling. Requests can be made by calling 360-452-4511 option 1 or 800-858-3747 option 1.

Destinations within Sequim city limits are also served by DAR on Saturdays only. To arrange for this "demand-response" service, a passenger should pre-schedule rides at least one day before and up to seven days in advance of the desired trip. Scheduled DAR trips may require the passenger to transfer to a fixed-route transit bus (Route 30, Route 40, Route 50 or Route 52) in the Sequim area to complete the trip.

To schedule a trip call 360-452-4511 option 1 between 8 am and 4 pm Monday through Saturday.

This DAR Service is available to anyone who lives in or who needs to travel to any point in the service area. The pick-up and drop-off point may be at the closest suitable intersection to your destination. Please be prepared for a pick-up allowing for a 15 minute window either before or after your scheduled time.

Please refer to the **PARATRANSIT PASSENGER POINTERS** at www.clallamtransit.com for details and fares.

Paratransit applications are available online or from CTS (contact info on Page 24). For questions regarding paratransit service, please call CTS at 360-452-4511 (Monday through Saturday between 8 am and 4 pm).
